

JUMPER'S JUNGLE FAMILY FUN CENTER

PARTY CHECKLIST

- Socks.** For cleanliness and safety reasons there are NO SHOES allowed in our facility, this includes the adults, JUMPING OR NOT, and shoes are to be kept in the lobby. We encourage families to advise their guests of the policy and bring extra socks if needed, especially for the moms. We do make exceptions for wheelchairs and corrective shoes. Please add the “sock rule” to your invitations. Socks are at the snack bar for \$3.00 ea.

- Drinks.** Your party will be provided with 2 liter bottles of Coke, Diet Coke, Dr. Pepper, or Sprite (Premier=two 2L, VIP=three 2L, VIP Deluxe=four 2L). We encourage all families to bring drinks to keep the kids hydrated such as water, juice, or Gatorade. You can bring an ice chest if needed. Also, we do have our BYOB (Bring Your Own Beer) License which allows each adult to bring up to 40oz of BEER ONLY into our center. However, it must be after 4pm each day and only during a Private Event.

- Food.** Food can only come from a licensed business like a restaurant or grocery store, and therefore CANNOT be home-cooked per the Health Dept. You may be asked to provide receipts for the food to ensure the safety of your family and friends, so please keep those just in case.

- Tableware.** We provide the tablecloth, plates, napkins, cups, forks, and spoons. You are welcome to bring in additional plates, napkins, table covers, etc. that match the theme of your party. Also make sure to bring a cake knife, candles, and ice cream scoop if needed. We do sell utensils at the snack bar for \$3.00 plus tax.

- Decorations.** You are able to bring banners, balloons, centerpieces, etc. to decorate your party room and in the Jumpspace as well if you're having a VIP party. Decorations must be able to be taped to the walls, no tacks or anything that may damage the walls, 3M hooks work for heavier banners. Also, we do NOT allow confetti, just too hard to clean up.

- Goodie Bags.** You are welcome to bring goodie bags or we can supply them for you for \$3.00 plus tax per child (Please give us a 72 hour notice to ensure we are stocked).

- Piñatas.** We do allow piñatas as long as they are the pull-string type and not the smash and grab type, too much liability and chance of injury. Don't forget the bags too.

- Entertainers.** We do allow entertainers to perform during your party, this would include magicians, balloon artists, clowns, etc. However, we CANNOT allow face painting as we have found that even the best quality face paint still gets all over the jumpers.

- Parents Lounge.** This area is included for no additional cost if you have a VIP or VIP Deluxe Party, please encourage your guests to use the games, TV's, and pool table.

Please arrive no more than 15 minutes prior to your event unless other arrangements have been made with one of our team members.

Thank you for your cooperation and assistance.
